

Disclaimer & Risk Disclosure

Effective Date: August 1, 2025

The information provided on **tributetohope.com**, our whitepaper, and community channels is for **educational and social impact purposes only**.

1. No Investment Advice

- \$HOPE is a **social impact token** supporting wildlife conservation.
 - Nothing published by Tribute to Hope constitutes investment, financial, or trading advice.
 - Always **Do Your Own Research (DYOR)** before engaging with digital assets.
-

2. Digital Asset Risks

- Cryptocurrencies are volatile and can lose value.
 - Smart contracts, liquidity pools, and blockchain platforms may contain risks or vulnerabilities.
 - Tribute to Hope is not liable for any financial losses, hacks, or technical failures.
-

3. Donations & Impact

- We allocate a portion of proceeds to verified conservation organizations.
- Donations are made transparently on-chain; however, conservation outcomes cannot be guaranteed.
- NGOs and partners are independent entities not controlled by Tribute to Hope.

4. External Links

Our website may link to third-party platforms (exchanges, wallets, NGOs). We do not endorse or guarantee their accuracy, reliability, or compliance.

5. Legal Compliance

By using our site and participating in HOPE activities, you are solely responsible for ensuring compliance with the laws of your jurisdiction.

6. Limitation of Liability

Tribute to Hope, its team, and affiliates are not responsible for:

- Loss of funds or value of tokens.
 - Misuse of smart contracts or wallets.
 - Third-party actions or failures.
-
